

## Application for funding from The Cleveland Grotto Science Fund

Name of Applicant(s): \_\_\_\_\_

Administrative Entity: \_\_\_\_\_

Contact Info: \_\_\_\_\_

Email: \_\_\_\_\_

Grotto Affiliations: \_\_\_\_\_ NSS Number(s): \_\_\_\_\_

Title of Project: \_\_\_\_\_

Requested Grant Amount<sup>1</sup> : \_\_\_\_\_ Date of Application: \_\_\_\_\_

Estimated date of project completion: \_\_\_\_\_

Estimated date of tangible project output: \_\_\_\_\_

Form of project output (i.e. map, report, published research)

Please describe the project, its goals and objectives. Note how the Fund monies will likely be used, dispersed, etc.. Attach more pages if necessary, but please be concise.<sup>2</sup> Applications that the Board feels do not describe the project, and uses of funds, will be returned with a request for clarifications, or refused.

I acknowledge that as a requirement to receive a grant, I will publish project results (journal article, survey map, etc.) or presentation of the data at a conference, with credit to the Cleveland Grotto for its support, as a result of all projects. The Science Fund Grant recipient should assure that a copy of all such publications is presented to the Cleveland Grotto Board for the Grotto Archives

Applicant Signature<sup>3</sup>

<sup>1</sup> Note that the Cleveland Grotto, as administrators of the Funds, may not necessarily allot the full amount requested for the project

<sup>2</sup> For all activities to be undertaken, if there is any question regarding legality, the necessary permissions must be sought from all appropriate and potentially involved parties (land owners, government organizations, etc.). Fund monies are NOT permitted to be used in any way that is illegal, unethical, inappropriate or objectively dangerous. In granting these funds, the Cleveland Grotto, its officers and members assume no liability for any actions or accidents.

<sup>3</sup> By signing this Form, applicants acknowledge that they have read the Grant Policy and Process document.
